¹ Please, note that the final project description containing the progress plan was submitted when the candidate applied for final admission to the Programme.

² If *you* are the PhD leader at your home institution, please, contact the Member of the Consortium (typically, the Head of Department) at your home institution to discuss issues.

Please, submit the report to angelica.matveeva@uit.no by February 1st of this year.

 This report will be sent to the Programme Board as well as the PhD leader, the Member of the Consortium and the administrative PhD coordinator (for archiving purposes) at your home institution.
